

SLEEPING MOUNTAIN

"If Black Sabbath and Pink Floyd had a lovechild and raised it on desert dust and folk-horror rituals, it would sound like Sleeping Mountain."

Album: Sleeping Mountain (self-titled debut)

Release Date: 14 June 2025

Origin: London, UK

Genre: Heavy psych · Desert rock · Psychedelic stoner rock · Doom

For Fans Of: Black Sabbath · Pink Floyd · All Them Witches · Graveyard

"Music heavily influenced by the psych and prog of the early to mid 70s but with a modern twist." – Desert Psychlist

"Gigantic sound for a trio... they shift between all of their styles with ease." – Musipedia of Metal

"The nine tracks... are all top level songs. There is absolutely no filler." – Jam Yeti Music Blog

"Immersive, emotionally charged music that blends stoner rock, psychedelia, folk Americana and doom." – Orange Amps – Orange Spotlight

Doom Charts Top 10: Sleeping Mountain reached #10 (June 2025).
